Waterford Graded School District Joint No. 1

Attendance

The Waterford Graded School District (WGSD) is responsible for enforcing the compulsory school attendance law of the state of Wisconsin (118.15) and for properly recording student attendance and maintaining student records.

WGSD is dedicated to the academic achievement and success for all students. Regular school attendance is an integral part of that success. When students attend school on a daily basis, they will not only improve their academic skills but build a greater capacity for social and emotional growth as well.
